DR. MUN Y. CHOI
PRESIDENT, UNIVERSITY OF MISSOURI
1st Year
Illinois, '87

Following a near year-long national search, the University of Missouri Board of Curators announced the appointment of Dr. Mun Y. Choi, 52, as the 24th president in the history of the University of Missouri System on November 2, 2016. The former provost and executive vice president of the University of Connecticut (UConn), Dr. Choi succeeded Interim President Michael Middleton on March 1, 2017.

Dr. Choi's 24-year career in higher education includes his previous position as provost and executive vice president at UConn, one of the nation's top 20 public universities in the latest U.S. News rankings. At UConn, he oversaw a budget of $700 million while working with 1,500 full-time faculty, 31,000 students and 2,000 staff across 12 schools and colleges including Schools of Medicine, Dental Medicine and Law. Under his leadership, UConn developed several innovative new programs that have resulted in enrollment growth, increased faculty hiring, innovative research and new and expanded industry partnerships.

Born in South Korea, Dr. Choi came to the U.S. as a child. As a young man, he worked in his family's successful business in Chicago, and later graduated from the University of Illinois at Urbana-Champaign with a bachelor's degree in general engineering in 1987. He later earned a master's degree and doctorate in mechanical and aerospace engineering from Princeton University.

Prior to serving as provost and executive vice president, Dr. Choi was dean of engineering at UConn from 2008 to 2012. Earlier, he was department head of mechanical engineering and mechanics at Drexel University (2000-2008) and assistant and associate professor at the University of Illinois at Chicago.

"Becoming president of the University of Missouri System is unquestionably the pinnacle of my professional career," said Dr. Choi. "As a product of and passionate champion for public higher education, I will advocate tirelessly on behalf of our exceptional institutions with state and national business, political and civic leaders to achieve excellence in all that we do, and make sure our great campuses realize their full potential."

MIZZOU CHANCELLOR

DR. ALEXANDER N. CARTWRIGHT
CHANCELLOR, UNIVERSITY OF MISSOURI
1st Year
Iowa, '89

Dr. Alexander N. Cartwright has served as Provost and Executive Vice Chancellor of the State University of New York (SUNY) since September 2014. As Provost, Dr. Cartwright supports the Chancellor and Board of Trustees in carrying out their oversight responsibilities of the 64-campus system. He drives academic policy and oversees a broad portfolio including: access and inclusion; academic program planning and assessment; enrollment management; student success; global affairs; information technology; and, SUNY's broad research enterprise.

Dr. Cartwright has refocused SUNY's academic agenda around the overarching areas of: student success and completion; diversity, equity and inclusion; and, through research growth in emerging areas, increasing SUNY's impact on state and global challenges.

Dr. Cartwright introduced and saw adopted a sweeping diversity, equity and inclusion policy which applies to all campuses and SUNY's System Administration. A native of the Bahamas, Dr. Cartwright believes in inclusive excellence wherein an institution cannot achieve excellence if it is not inclusive. He developed a comprehensive completion model to meet SUNY's ambitious goal of ensuring that more New Yorkers earn the credentials they need to succeed. He launched a system-wide Educational Effectiveness and Strategic Enrollment process designed to support each campus in meeting improvement goals. He established and oversees the Applied Learning Steering Committee to ensure faculty oversight of SUNY's goal of a rigorous, meaningful, applied learning experience for every student.

During his tenure as Provost, Dr. Cartwright also served as Acting President of the Research Foundation for SUNY from January 2015 – June 2016, overseeing the Foundation's management of over $1 billion dollars in annual sponsored research activity and recommitting the organization to focus on creation of a culture of compliance, transparent administration of sponsored research; and supporting campus efforts to commercialize intellectual property created on campuses. At the same time, he established the position of Vice Chancellor for Research and Economic Development to support research efforts of SUNY faculty, grow business and industry partnerships, and foster both undergraduate and graduate research opportunities for SUNY students. Dr. Cartwright also served as Officer-in-Charge of two SUNY campuses undergoing leadership transition, SUNY's Downstate Medical Center and SUNY Polytechnic Institute. In each case he worked with campus faculty governance, faculty at large, students, staff and administrators to meet time-sensitive needs and to identify, and see through to appointment, interim leadership.

Dr. Cartwright represents SUNY in Congressional, Federal Agency, White House, and State Legislative audiences to share SUNY's input on key academic and research issues.

Dr. Cartwright came to the role of Provost already a member of the SUNY community. He joined the University at Buffalo, State University of New York (UB) in 1995 serving on the faculty and holding increasingly senior administrative positions at the AAU research university. His immediate past position was that of Vice President for Research and Economic Development and Acting Executive Director of the New York State Center of Excellence in Bioinformatics and Life Sciences. In these roles, he was responsible for campus/industry relations, research funding and compliance, research communications and research support for UB and the Center.

An internationally recognized researcher and scholar in the area of optical sensors, Dr. Cartwright previously served as the Chair of both the Electrical Engineering and Biomedical Engineering Departments at UB. Before beginning these concurrent chairmanships, Dr. Cartwright led UB's efforts to synergize research across disciplines as the Vice Provost for Strategic Initiatives. In this position he oversaw infrastructure and scholarship in eight areas of strategic strength that spanned departments from Visual Studies to Medicine. He has served as a professor in Electrical Engineering and Biomedical Engineering and an adjunct full professor in Physics at UB. In the first years of his professorship, Dr. Cartwright received both the National Science Foundation CAREER Award and the Office of Naval Research Young Investigator Award. He earned the SUNY Chancellor's award for Excellence in Teaching in 2002. Dr. Cartwright retains his rank as full professor while serving as System Provost, he continues to run the Laboratory for Applied Spectroscopic Evaluation (LASE), oversee doctoral students and one post-doc student, and remains active in research, receiving his latest NSF award in 2016.

Dr. Cartwright's research is generally in the area of optical materials and sensors. Currently, he is engaged in engineering optical "metamaterials," artificial materials that provide optical properties not readily available in nature. His technology for fabricating a rainbow-colored polymer using a one-step, low-cost holographic lithography method was one of just five inventions worldwide to be named to the Society of Manufacturing Engineers (SME)'s 2013 list of Innovations that Could Change the Way You Manufacture.

Dr. Cartwright is a prolific and highly influential scholar, producing more than 150 peer reviewed journal publications and conference proceedings. He has received considerable funding from numerous organizations including the National Institutes of Health, National Science Foundation, Air Force Office of Scientific Research, Department of Defense, and the Office of Naval Research, and various industrial sponsors. Dr. Cartwright holds four patents.

In November 2016, Dr. Cartwright was named a Fellow of the American Association for the Advancement of Science (AAAS). Dr. Cartwright was recognized for, "outstanding research, teaching and mentorship in optics, for advancing science in New York, nationally, and internationally, and for strengthening diversity and inclusion in science." In February 2016, Dr. Cartwright was named to the Carnegie Math Pathways Advisory Board by the Carnegie Foundation for the Advancement of Teaching. In September of 2015, Dr. Cartwright was appointed by NYS Governor Andrew Cuomo to the Photonics Institute Board of Officers. In December of 2014, Dr. Cartwright earned appointment as a Fellow of the National Academy of Inventors. Dr. Cartwright is a Fellow of SPIE – The International Society for Optical Engineering; a senior member of the Institute of Electrical and Electronics Engineers (IEEE); a member of the American Society for Engineering Education (ASEE), Eta Kappa Nu, and the Materials Research Society (MRS).

Dr. Cartwright holds a Ph.D. in Electrical and Computer Engineering from the University of Iowa. He and his wife Melinda have two children, both now in college, Andrew and Alyssa.

JIM STERK
DIRECTOR OF ATHLETICS
2nd Year
Western Washington, '80

Jim Sterk was named Mizzou's 20th Director of Athletics on August, 9, 2016, following highly successful tenures leading intercollegiate athletics programs at San Diego State, Washington State and Portland State.

In his first year in Columbia, Mizzou Athletics continued to achieve academically, athletically and administratively.

Academically, 269 Mizzou student-athletes received 2016-17 SEC Honor Roll recognition, 303 garnered University Dean's List status for at least one semester, 14 teams registered a 3.00 grade-point average for the Spring 2017 semester and four teams recorded perfect NCAA Academic Progress Rate marks of 1,000—women's golf, women's tennis, soccer and volleyball. Tiger student-athletes also spent over 4,800 hours volunteering with more than 50 organizations in Columbia and the surrounding communities.

Fueled by Top 16 NCAA Championship finishes in wrestling (5th), women's indoor track & field (8th), men's swimming & diving (9th), women's swimming & diving (13th), women's cross country (16th) and volleyball (Sweet 16), Mizzou Athletics ranked a program-best 33rd in the 2016-17 Learfield Directors' Cup standings with a school-record 662.75 points. The Tigers, who have produced four Top 40 Directors' Cup finishes in the award's 24-year history, had not finished better than 36th prior to 2016-17.

In 2016-17, 16 Mizzou teams were represented in NCAA postseason play, two teams won conference championships (volleyball and wrestling) and 10 squads ranked among the nation's Top 25 in their respective sports at season's end. Two other MU programs, baseball and softball, were also ranked at some point during their respective seasons to give the Tigers 12 Top 25 programs during 2016-17.

In addition, two Tigers combined to win four 2016-17 NCAA individual championships as senior wrestler J'den Cox won his third national title at 197 lbs., and junior Karissa Schweizer became just the fourth female in NCAA history to win the distance triple crown (cross country, indoor 5,000m and outdoor 5,000m national titles), and first since 2008.

Mizzou also produced 13 individual conference champions and had 31 student-athletes earn 69 All-America certificates in 11 different sports.

The generosity, loyalty and passion of more than 7,000 donors allowed the Tiger Scholarship Fund (TSF) to raise a school-record $50.4 million during the 2016-17 fiscal year, shattering the previous record by more than $4.7 million. TSF's record-breaking total, which included new pledges and cash gifts, was aided by a school-record 11 gifts of $1 million or more, and marked just the second time in school history that the TSF surpassed the $40 million threshold in philanthropic support and just the fifth time it topped the $30 million plateau.

Working with the Missouri Board of Curators, Sterk secured approval for Kansas City-based Populous to design the Memorial Stadium South End Zone facility which is scheduled to come on-line in 2019. This game-changing project for Tiger football will include coaches offices, a locker room, training room, weight room and team meeting rooms as well as new premium seating opportunities for Mizzou fans.

Sterk joined the Mizzou family from San Diego State, where he enjoyed a six-year tenure that was highlighted by the most successful five seasons in Aztecs history with 32 conference championships from 2011-12 thru 2015-16, including a Mountain West-leading 28 titles in that stretch, and the nation's fourth-highest combined winning percentage in football and men's basketball. In addition, SDSU was one of only four schools nationally to have appeared in six consecutive NCAA tournaments and have its football team play in five straight bowl games over that span.

"Jim elevated SDSU to a respectable level both athletically and academically," said Marshall Faulk, a member of the Pro-Football Hall of Fame and former St. Louis Ram and SDSU Aztec. "His leadership was instrumental in the rise of SDSU success. How we cared for our student-athletes was his No. 1 concern. While I'm sad to see him go, I am equally happy for Jim and his family, and I told him he is going to love the people of Missouri. Mizzou, you hired a man with impeccable integrity."

SDSU set a school-record with 13 programs setting multi-year highs in the 2016 Academic Progress Report released by the NCAA with 313 student-athletes honored for their academic achievements. The athletic department also enjoyed a record fundraising year for scholarships and a new basketball facility.

For his efforts, Sterk was named the 2015-2016 Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics, which highlights the efforts of athletic directors for their commitment and positive contributions to student-athletes, campuses and their surrounding communities. Sterk was also appointed to the NCAA Division I Men's Basketball Committee as the Mountain West Conference's representative.

Sterk went to SDSU from Washington State University, where he served as athletic director from 2000-10. Prior to his hiring at WSU, he was the AD at Portland State University from 1995 to 2000.

Sterk enjoys a solid reputation and the respect of his peers across the country. The NCAA recognized him and WSU in 2006 as the Division IA Athletic Directors' "Program of Excellence." He oversaw a period of unparalleled success at Washington State with historic accomplishments both on and off the field during his tenure in Pullman.

In his last three years at WSU, 13 Cougar teams competed in NCAA postseason tournaments, including back-to-back trips by the men's basketball team (2007 and 2008), while women's rowing earned five NCAA championship bids, including a fourth-place finish in 2006, the highest finish ever by a WSU women's team in NCAA competition.

Sterk graduated from Western Washington University in 1980, where he earned four letters in football and one in basketball. He was credited with a school-record 164 tackles during the 1977 season, garnering first-team NAIA District I all-star accolades. He was named team captain and MVP, helping the Vikings to the district championship game. On Feb. 6, 2010, Sterk was inducted into Western Washington's Athletics Hall of Fame for his gridiron success.

He received his master's degree in sports administration from Ohio University. In addition to SDSU, Washington State and Portland State, his professional career has also included administrative positions at North Carolina, Maine, Seattle Pacific and Tulane.

Sterk and his wife Debi have three daughters: Ashley, Amy and Abby.

HEAD COACH
22ND SEASON
TULSA '87

The 2016 squad earned the seventh NCAA Tournament berth in program history, all under Blitz. The Tigers finished the year with an 11-7-2 record overall and 6-4-1 mark in Southeastern Conference action. Freshman Sarah Luebbert became only the second Tiger in program history to claim conference freshman of the year honors, as she was voted the SEC Freshman of the Year.

In 2015, Mizzou finished the season a program-high second in the SEC regular season standings after a 7-2-2 record in conference play. Mizzou allowed 17 goals on the season, the fewest in program history, bettering the 19 allowed in 2008. Blitz earned SEC Coach of the Year Honors for leading the Tigers to a 9-5-5 season, while three Tigers earned All-SEC honors. Candace Johnson was named to the All-SEC first team while Reagan Russell and Melanie Donaldson was named to the All-SEC second team.

During the 2014 campaign, Blitz led the Tigers to a 12-7-3 record and a 6-4-1 mark in SEC action, including a 7-1-1 record in home contests. Blitz led Mizzou to the NCAA Tournament for the sixth time in program history and advanced to the second round after posting a 3-1 win over Kansas in the opening round.

In 2013, Mizzou knocked off three top-25 teams, which were the most wins over ranked opponents were the most for the Tigers since 2008. Missouri recorded its first ranked win with a 1-0 defeat over No. 7 Florida, then handed No. 7 South Carolina only its second loss of the season on Oct. 18 and posted a dramatic 2-1 double-overtime win at No. 25 Kentucky on Oct. 25.

In the program's first season in the Southeastern Conference, Blitz led the Tigers to a 14-7-1 season and their fifth NCAA Tournament berth. The squad's 14 wins tie for the second-most in a single-season. Mizzou also recorded an 8-5 SEC mark and advanced to the semifinals of the SEC Tournament in Orange Beach, Ala.

After a 7-10-2 season in 2010, Blitz led the Tigers to a 12-8-1 record in 2011 despite 13 players who were new to the program. Mizzou set a new program record for non-conference winning percentage (.909) during the year and tied the team's consecutive wins record (seven).

In 2009 Missouri reached new highs as the team claimed the Big 12 Regular Season title for the first time in school history. Blitz was honored as the Big 12 Coach of the Year for his work to mark the second time in his career he earned the honor.

In 2008 when the Tigers had arguably their most successful season in program history. Blitz directed his team to a 16-5-2 mark, the Big 12 Conference Tournament championship and into the second round of the NCAA Tournament for the second consecutive season. Over the course of the year, Mizzou set school records with wins (16), fewest losses (five), shutouts (12) and goals against average (0.80), among others. The Tigers advanced once again to the second round of the NCAA Tournament, an event Missouri hosted for the fourth time, but fell to Illinois in a penalty kick shootout after 110 minutes of play.

In 2007, Blitz directed his young Mizzou squad to a 13-8-1 record and the third NCAA Tournament berth in program history. Playing once again at friendly Walton Stadium, Mizzou advanced to the second round of the tournament for just the second time after defeating Southeast Missouri State (SEMO) in a shootout. The Tigers came up just short in the second round, falling to eventual national champion USC, 1-0, in overtime.

Over the course of the season, Missouri reached No. 5 in the national rankings, its highest-ever, and received unprecedented accolades from the Big 12 Conference. Freshman Alysha Bonnick became the first Tiger to earn a post-season award after winning Big 12 Rookie of the Year honors and Blitz was honored as the Big 12 Coach of the Year. Additionally, sophomore Kristin Andrighetto was just the second Missouri player to earn a spot on the All-Big 12 first team. Four Tigers were named to the second team and three players were selected to the All-Newcomer team. On the national level, Andrighetto earned All-America fourth team honors from Soccer Buzz and Bonnick was a Freshman All-America second team selection from two different publications.

In his first year with Missouri, Blitz began putting his skills to the test during the inaugural season of Tiger women's soccer. MU finished the year 6-14 and 4-5 in league play.

The Tigers continued to improve under Blitz's tutelage and logged a 7-12 record, going 3-7 in Big 12 play during the following season. Missouri's second year also saw the national spotlight as Jennifer Kram was named to the Soccer America National Collegiate Team of the Week—MU's first national recognition. The accolades would not stop there however as Mizzou placed two athletes, Nikki Thole (third team) and Kristin Boeker (honorable mention) to the Soccer Buzz Freshman All-America team.

In 1998, Blitz led Missouri to its first winning season going

11-9-1 and 6-5 in the Big 12.

MU's fourth season proved to be a record-setting campaign for the Tigers as Blitz led Missouri to a 14-8-1 season record and posted a 6-3-1 Big 12 mark in 1999. The Tigers also advanced to their first NCAA Tournament. The Tigers fell to Marquette in their national post-season debut, but put forth a strong showing as they took the Golden Eagles to a 3-2 quadruple overtime loss.

Despite the loss, Blitz coached his athletes to an astounding season. Thole received All-America accolades from the National Soccer Coaches Association of America (NSCAA), SoccerBuzz and College Soccer Online.

By 2000, Blitz had conditioned his squad into a fine tuned machine. The Tigers earned their highest ranking in the NSCAA poll after defeating No. 18 ranked Florida State and No. 12 ranked Wake Forest in back-to-back games to win a 12th-place ranking. The Tigers split the season 10-10 with a 5-5 Big 12 record.

In 2001, Blitz reloaded the Tiger program known for its physical intensity with nine newcomers. The young squad quickly made its mark going 13-8, with a 5-5 Big 12 mark, and set a new precedent with six shutouts on the season. In addition, the Tigers defended their first perfect game in school history outshooting Indiana State 34-0 on their way to a 4-0 victory.

In 2002 the Tigers posted an 11-7-2 record with a 5-4-1 mark in the Big 12 to finish fourth in league standings. The season proved arduous as the Tigers played a record six overtime games during the year. Mizzou had two athletes named to the SoccerBuzz All-Central Region teams in Lacy Moore and Jennifer Nobis.

Keeping stride in 2003, Blitz successfully navigated his squad through one of the toughest schedules in the country. Facing 10 opponents ranked in the nation's top-25 at some point during the season, Mizzou made a late season rally advancing to both the Big 12 Tournament championship final and the NCAA second round. Highlighting the push, the Tigers overcame the odds to record an amazing come-from-behind victory over No. 4 ranked Texas A&M (5-4). Mizzou also picked up the program's first win over No. 22 Nebraska rolling the Huskers ,3-2, during Big 12 Tournament play.

Rounding out the season with a 12-11-1 record and an eighth-place Big 12 finish, the Tiger's made history as the first No. 8 seed to claim a victory during Big 12 Tournament play.

In 2004, Blitz led the Tigers to a sixth-place finish in the Big 12. Mizzou defeated two ranked teams in 2004, including then-No. 6 ranked Texas A&M, recording the program's first-ever win in College Station, Texas.

In 2005, under Blitz's direction, the Tigers posted a 9-8-3 overall record and qualified for the Big 12 Tournamtent for the ninth time in the conference's 10 year history. In 2006 he took the Tigers to a 7-0 start as the squad reeled off five straight shutouts to begin the season.

Blitz began his head coaching career at Butler University (Ind.) as the program's inaugural head coach in 1991. In his fifth season, he took the Bulldogs from obscurity to the national spotlight in an undefeated run through the Midwestern Collegiate Conference and the team's first national ranking. Blitz earned the Midwestern Collegiate Conference Coach of the Year award for his work in the 1995 season and received an invitation to help coach the U.S. Women's National Team.

Developing Blitz's unique collegiate coaching perspective, he has worked and played in soccer communities around the world improving his knowledge and abilities. Blitz traveled to England to play for one year while he was in college. He returned to the states and to the University of Tulsa, where Blitz helped start the Golden Hurricane women's program as an assistant coach in 1987.

He took two years off from coaching to play in the Southwest Indoor Soccer League and the Northeast Super Soccer League (in Dallas and New York) before a desire to earn a master's degree in business led him to Butler, where he met his wife, Alie. There, he became a graduate assistant for the men's team and two years later took the reins as a women's head coach for the first time.

Blitz, a 1987 graduate of Tulsa, and his wife, Alie, have four children, Madison, Connor, Oliver and Abigail.

The forward led Mizzou with 24 points on 10 goals and four assist, the highest point and goal totals by a Tiger since Kristin Andrighetto had 27 and 10 in 2009. Luebbert's totals also ranked second on both Mizzou's all-time freshman points and goals lists. Additionally, Luebbert finished the season ranked fifth among SEC players in goals per game (0.56) and sixth in points per game (1.33).

• Mizzou increased its goal output from 25 a season ago to 37 in 2016, a 12-goal difference over the one-year span. The Tigers also received goals from every class this past season, something that didn't happen a year ago. In 2016, the junior class led the way with 15 goals, followed by 12 from the freshmen, six from seniors and three from sophomores.

• In addition to Luebbert, three other Tigers were also honored by the conference in a vote of the league's coaches. Senior Melanie Donaldson claimed a spot on the All-SEC first team and junior Kaitlyn Clark and senior Lauren Selaiden were named to the second team.

• The Tigers opened SEC play with a memorable 5-0 win at Ole Miss on Sept. 9. The five goals were the most Mizzou has ever scored in an SEC match and the most for the team since a 5-1 win over Pacific on Aug. 23, 2013. Five different Tigers found the back of the yet against the Rebels.

Marquette 3, Missouri 2 (4OT)

COLUMBIA, Mo. - The University of Missouri women's soccer team was defeated Wednesday, Nov. 10 in the first round of the NCAA Tournament by Marquette, 3-2 in four overtimes. The match, which was the longest in both programs' history, was decided in the 142nd minute when Marquette's Amy Hnatow scored her first career goal.

After 35 minutes of scoreless play, Marquete got on the board with a score from Kate Gordon, her ninth goal of the season. The score stayed 1-0 at halftime before Marquette added its second goal in the 54th minute. Erin Morgan netted her eighth of the season on a pass from Lannette Rossini and Marquette led the Tigers 2-0.

Just over two minutes later, Nikki Thole put MU on the scoreboard when she knocked home a goalie deflection with a soft headshot. Thole's 22nd of the season got Missouri back in the match and reenergized the Tigers.

After she was hauled down in the penalty box, Thole scored the equalizer on a penalty kick that beat Marquette's goalkeeper low right. From that point on, nearly a full match was played before the next goal was scored.

Three full overtimes, and most of the day's sunlight, came and went with the team's trading opportunities in the extra periods. At 141:13, Hnatow placed a shot over Missouri goalkeeper Jackie Adamec's head from the right side and Marquette had the victory.

Missouri 1, Eastern Illinois 0

COLUMBIA, Mo. - Appearing in the first NCAA Tournament match in four years, the Mizzou Tigers continued their hard fought post-season rally defeating Eastern Illinois 1-0. The victory marks Mizzou's first NCAA Tournament win in the history of the program.

After a lack luster first half, Mizzou didn't waste any time shining up the scoreboard during the second period. Just three minutes into play, Kristen Heil put Mizzou up 1-0 scoring her 10th goal of the season.

Preparing the scoring play deep in the midfield, forward Melissa Peabody sliced a pass to Adriene Davis in the midfield circle. One-touching a perfect pass to Heil at the top of the penalty box. Besting two EIU defenders and keeper Tiffany Groene, Heil deftly delivered the game-winner.

NCAA Tournament Second Round

Nov. 16, 2003 • Columbia, Mo.

Kansas 2, Missouri 0

COLUMBIA, Mo. - Riding through a roller coaster season, the Missouri soccer team ended the 2003 campaign with loss in the second round of the NCAA Tournament to No. 16-ranked Kansas, 2-0.

Backed by solid defensive play, Mizzou's offensive squad was able to concentrate its efforts on the KU net. Jennifer Nobis pulled out an exhilarating break away, but lost the ball to an aggressive play by Jayhawk keeper Meghan Miller.

Mizzou's defensive squad continued its valiant efforts, thwarting Kansas in the backfield. Unable to best the Tigers one-on-one, the Jayhawk offense finally found fruition in one of their nine cornerkicks. Lobbing a ball into the penalty box, the two teams batted the ball through the arcade of bodies until Smith caught a sharp foot on the ball and sailed it over the goal line.

Down 1-0 with just 13 minutes ticking on the clock, Missouri frantically tried to even out the score. Despite several extraordinary attempts by Davis, the Tigers struggled to come back. The frenzy opened up KU's second scoring play that dropped MU with a 2-0 deficit with just two minutes left to play. Kimberly Karfonta lofted a ball from midfield to Carmel Kaplinger who dribbled the ball to score.

Missouri 1, SEMO 1 (2-0 PK)

COLUMBIA, Mo. - The 23rd-ranked Missouri soccer team tied Southeast Missouri State (SEMO), 1-1, with the Tigers advancing to the second round of the NCAA Tournament on penalty kicks. The Tigers and Redhawks were scoreless through 67:36 of action before the game was decided, 2-0, on junior Kat Tarr and junior goalkeeper Mallory Forst's shootout shots.

Sophomore Michelle Collins came up with Missouri's first goal of the night, dribbling the ball in from the top of the box. Shooting from eight yards out, Collins beat the keeper to the right, scoring 16:26 into the game. The goal was Collins' 12th of the year.

After SEMO tied the game and a scoreless overtime session, five Tigers were selected from the lineup to take Missouri's penalty shots. Tarr made Missouri's first penalty kick attempt but SEMO missed all four of theirs before Forst stepped up and hit her shot to advance the Tigers to the second round.

USC 1, Missouri 0

COLUMBIA, Mo. - The eighth-ranked USC Trojans (16-3-2) defeated the 23rd-ranked Missouri Tigers (13-8-1), 1-0, in the second round of the NCAA Championship Sunday in Columbia, Mo.

USC scored the game-winning goal on a header from less than five yards out by midfielder Ashley Nick with 5:12 remaining in the second overtime period. USC midfielder Megan Ohai tallied the assist off a throw-in.

The first half ended scoreless, with Missouri out shooting the Trojans, 5-3. Missouri's best scoring chance came just four minutes into the game. Alysha Bonnick delivered two shots from inside the box, both saved by USC goalkeeper Kristin Olsen.

USC dominated the first overtime, out-shooting the Tigers, 5-2. Five minutes into overtime USC's Amy Rodriguez ripped a shot from just inside the box that was saved by keeper Mallory Forst. Missouri's only scoring chance came with 18 seconds left when Michelle Collins took a pass from midfielder Mo Redmond and had a break away. After a shifty move, Collins fired a shot to the near post from six yards out but the USC goalie smothered the shot.

Missouri 2, Evansville 0

COLUMBIA, Mo. - Michelle Collins and Candace Ruff each scored a goal in the first half to give Missouri a first-round victory and send them to the second round.

With rain falling on the field and 14 mph winds coming from the northwest, the Missouri women decided to waste no time in securing their spot in Sunday's regional championship game. For the first time this year the Tigers played in the rain and showed little struggle in earning their 12th shutout of the season. Michelle Collins started things early for Mizzou as she took a pass from Crystal Wagner and sent a shot past Evansville goalkeeper Theresa Bagby in the third minute of play. The goal marked Collins seventh on the season and gave the Tigers a 1-0 lead.

The Aces weren't able to keep Mizzou quiet. Just thirty minutes after Collins' goal Ashley Hamblin passed one to Candace Ruff for the Tiger's second score of the game and Ruff's second career goal. Missouri recorded 16 shots in the first period while Evansville attempted just one.

NCAA Tournament Second Round

Illinois 1, Missouri 1 (4-3 PK)

COLUMBIA, Mo. - Missouri ended its season in a penalty kick shootout to the Illinois Fighting Illini 4-3 after a 1-1 game after two overtimes in the second round of the NCAA Tournament.

Freshman Kelsey Blincow, sophomore Alysha Bonnick and junior Bree Thornton all converted their penalty kicks against Illinois goalkeeper Alexandra Kapicka. The Illini made their fourth of five attempts and Kapicka made a save on senior Mallory Forst's shot to send Illinois to the sweet sixteen.

Illinois dominated early play in the second half and the Illini went up 1-0 in the 56th minute when Jackie Santacaterina flicked a ball up to Chichi Nweke. The forward fired a 14-yard shot past Dittamore and into the lower far post.

Missouri responded in the 74th minute when junior Michelle Collins played a ball up to sophomore Alysha Bonnick, who sent a pass to a wide open Mallory Stipetich. The freshman one-timed a 15-yard shot to the left of Kapicka and into the net for a 1-1 game.

Regulation and overtime ended with both teams tied at 1-1 so the contest went to a shootout.

Illinois 1, Missouri 1 (3-0 PK)

COLUMBIA, Mo. - Following a 1-1 game after 110 minutes of play between Mizzou and Illinois in the first round of the NCAA Tournament, the contest went to a penalty kick shootout, where Illinois advanced 3. The Tigers outshot the Fighting Illini 28-19 in the contest but had numerous shots hit off the post. Missouri concludes its season with a 14-7-1 record, while Illinois goes to 10-8-4.

The Tigers could not convert on their first three penalty kicks, while the Fighting Illini made their first three attempts to advance.

Illinois went up 1-0 in the 19th minute but Missouri battled back and used a goal from junior Danielle Nottingham to knot the score at 1-1 in the 53rd minute. Redshirt-freshman Lauren Flynn played a ball across the field to Nottingham, who was stationed outside the left corner of the box. Nottingham ripped a 20-yarder that sailed past Illinois' goalie and into the upper left netting. The tally was Nottingham's first of the season and ninth of her career. Flynn earned her first career assist on the play.

Mizzou sent a flurry of six shots toward the goal in the final nine minutes of regulation but could not take the lead. With just seconds remaining in the second half Grant blasted a shot but it flew just wide left of the goal.

Following a scoreless first overtime session, the Tigers again seemed likely to score in the second overtime. The home team managed to earn three corner kicks and got off three shots but again could not score to send the contest to a penalty kick shootout.

LAWRENCE, Kan. - Senior Taylor Grant tallied two goals and junior Reagan Russell added another as the Mizzou soccer team advanced to the second round of the NCAA Tournament with a 3-1 win over Kansas Oct. 16 in Lawrence, Kan.

The Tigers improved to 12-6-3 on the season, while the Jayhawks ended the year with a 15-6 record.

Missouri was on the attack from the first whistle and wasted no time scoring the first goal of the match. Junior Reagan Russell sent a long cross from the right side of the field to the far post. Grant, stationed near the post, chested the ball down into the net from a yard out for a 1-0 Tiger advantage.

Grant stuck again early in the second half for a 2-0 Mizzou advantage in the 51st minute. Senior Kaysie Clark played up a perfect pass to Grant, who ran onto the ball at the top of the box. The Kansas keeper came off her line but Grant took a touch and sent a low shot past the goalkeeper and into the lower left netting for her team leading ninth goal of the season.

A goal from the Jayhawks in the 57th minute cut Mizzou's lead to 2-1 to give Kansas some hope.

In the 66th minute, Russell ran down the right sideline, ran into the box and slotted a low shot from 10-yards out into the far post for a 3-1 Missouri lead. The goal was the seventh of the year for Russell to put her season point total to 18. Grant earned her second assist of the year and fifth point of the match on the play.

The Huskies had a 17-10 edges in shots, although second half saw both squads send five attempts on net.

Kansas 1, Missouri 0 (OT)

LAWRENCE, Kan. – Kansas scored 40 seconds into the second overtime session to earn a 1-0 win over the Mizzou soccer team Sunday afternoon in the first round of the NCAA Tournament in Lawrence, Kan. The game was close throughout but the Jayhawks struck on a close-range shot to end the Tigers' season.

After 100 minutes of scoreless soccer, the Jayhawks used a five-yard strike from Lois Heuchan only 40 seconds into the double overtime to give the home team the win. The ball was crossed across the goal to Heuchan, who calmly beat Mizzou sophomore keeper Kelsey Dossey to the right netting.

The contest was evenly matched, with Kansas owning a 17-14 edge in shots and both teams committing eight fouls. The Tigers did have a 12-6 advantage in corner kicks, including a 10-3 lead in the second half and overtime.

Freshman forward Sarah Luebbert nearly put Mizzou up in the third minute when she received the ball at midfield and raced toward goal. However, the freshman's final touch was a bit heavy and the Kansas keeper came off her line to block Luebbert's 12-yard shot.

The Tigers' best chance of the day came from the foot of senior defender Erin Webb in the 81st minute. She dribbled into the box and unleashed a left-footed strike that sailed inches over the crossbar.
